

## Equals Homework Calendar

English, Equals and 'Equals' will be set each week.

Normal homework turnaround time is 1 week unless specified differently by the class teacher.

There is no set day for homework, this will depend on the lessons the students have that week and may also be where is best in a sequence of lessons to set homework. However most will come out on Friday for Equals classes.

Homework for option subjects are on a rotation so students will only get one per week.
