

**Re Change to increase the school's number of pupil SEN places from 175 to 200 at Manor Academy Sale.**

Dear Parent/ Carer

We are writing to you as part of a consultation process to increase the number of places for pupils with SEN at Manor Academy Sale:

- To extend the number of places from 175 to 200. This is due to increased demand for places at the school and the schools rising reputation across Greater Manchester. The increase in place numbers will enable the school to plan for the future more effectively.
- The changes alongside the rational for change, are set out below. We have gone through the process of consulting staff at the Academy and would like to take on board your views before putting in place any changes for September 2021.

Change	Rational
Increasing the number of places for pupils with special needs to 200	<ul style="list-style-type: none"> <li>• To increase the number of places for pupils with special needs to meet the increased demand for places and the needs of pupils in the Local Authority.</li> </ul>

If you have any feedback on any element of the above proposal; please complete the form on the back of this page and return to Manor Academy reception by 6th January 2021.

Yours sincerely

P. Eckley
